

## Natural State Laboratories Patient Portal Access

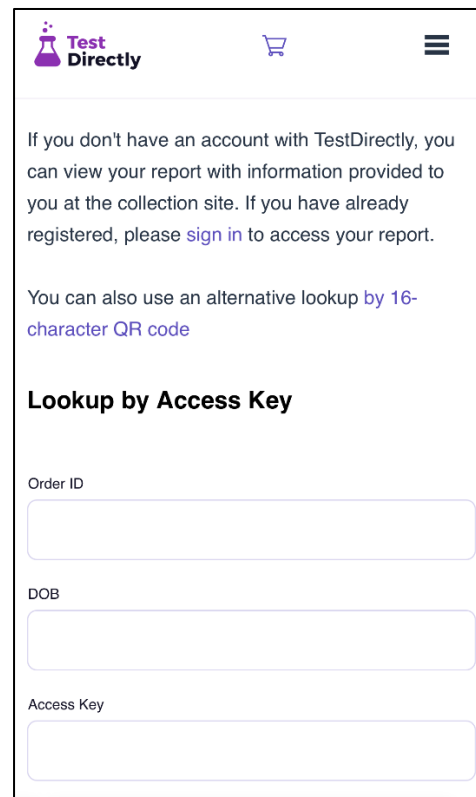

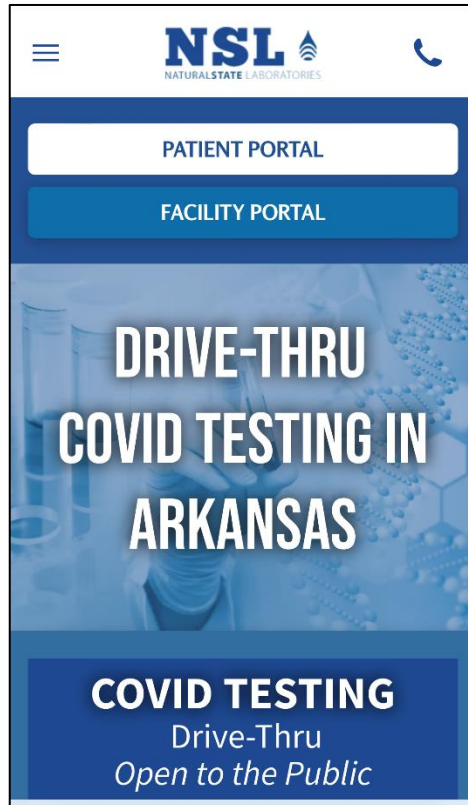

Natural State Laboratories and Natural State Genomics provide COVID-19 test results to patients via our patient portal. Please visit: [www.naturalstatelaboratories.com](http://www.naturalstatelaboratories.com)

### DESKTOP

Click on the Patient Portal link

### SMARTPHONE

Patients will be asked to enter their last name, date of birth, and email address to access the test result. This information must be provided at sample collection.
