Arkansas Children’s Inc. is the only hospital system in the state solely dedicated to caring for children, which allows us to uniquely shape the landscape of pediatric care in Arkansas. The system includes:

- Arkansas Children’s Hospital (ACH)
- Arkansas Children’s Hospital West Little Rock Clinic
- Arkansas Children’s Hospital Jonesboro Clinic
- Arkansas Children’s Hospital Southwest Little Rock Clinic
- Arkansas Children’s Northwest (ACNW)
- Arkansas Children’s Hospital Pine Pluff Clinic

Arkansas Children’s is committed to meeting the needs of referring physicians. The physician liaison team travels the state to visit pediatricians, family practice providers and specialists to share information about Arkansas Children’s programs and services.

Please call your physician liaison for help with Healthy Planet Link access, general questions and concerns, troubleshooting for issues with appointments, referrals or reaching Arkansas Children’s physicians or if your clinic information changes (moves location, new providers, etc.).

Statewide Services

Angel One Transport

24 hours a day
800-ACH-HELP (800-224-4357)
501-364-6429

Angel One Transport services are available 24 hours a day to meet your transport needs. Our trained dispatch personnel will connect you with an accepting physician in the intensive care service needed.

Arkansas Children’s Care Network

Arkansas Children’s Care Network (ACCN) fundamentally transforms health care delivery for the children of Arkansas through a physician-led clinically integrated network (CIN) comprised of health care professionals who provide coordinated and accountable pediatric care supported by a sustainable financial model. This network improves quality, access, patient/family experience and affordability of health care while also increasing physician engagement and satisfaction. ACCN is the nation’s first statewide pediatric CIN, promoting collaboration among primary care and specialty providers who treat children across Arkansas. ACCN enables its partners to work together in a clinically integrated manner, using common health protocols and pathways so that each child receives quality care at the most appropriate location. To learn more, visit accnconnect.org.

Arkansas Children’s Operations Center

24 hours a day
888-764-KIDS (5437)
501-364-4455

The Arkansas Children’s Operations Center offers a one-call transfer and direct admissions system, providing a centralized entry point to all Arkansas Children’s facilities, streamlining the transfer process. Our hospital operators can set up provider-to-provider calls. Referring physicians are connected directly, eliminating the maze of phone calls for patient transfer.

Healthy Planet Link

Healthy Planet Link is a secure web portal that connects you to information stored in our EMR for your referred and admitted patients. This portal allows you to:

- Access patients’ results, notes, orders and more
- Request appointments/refer patients
- Place lab and imaging orders
- Receive automatic messages about important patient events
- No software to install

To sign up, please choose a site administrator for your clinic and have them visit archildrens.org/healthyplanet. After requesting a new account through the site, they will be sent their login information and will be able to add other users. For help with Healthy Planet Link, please contact your physician liaison.
Statewide Services

MyChart
Parents of referred patients can sign up for MyChart to manage their child’s medical records and connect with their Arkansas Children’s medical team online. MyChart enables a parent to:

• Manage their child's health information
• Communicate with their child's doctor
• Access test results faster
• Manage appointments
• Request prescription refills

Parents can sign up for MyChart by visiting archildrens.org/mychart.

Neonatal Consultation
24 hours a day
800-ACH-HELP (800-224-4357)
Consultations with our neonatologists are available 24 hours a day. Angel One dispatch personnel will connect you with a neonatologist via telephone or through telemedicine to discuss your patient(s).

Nursery Alliance
The Nursery Alliance creates networking and learning opportunities for both hospital members and Arkansas Children's Hospital, shared between people who are caring for newborns to work together to improve the health and well-being of babies and their families. Neonatologists at ACH provide consultations to physicians, educational support, quality data review, implementation of best practices and provide training as needed to help member hospitals provide the best care possible. ACH nurses and other key interdisciplinary care teams are available for consultations, staff education and share access to best practice standards of care to assist member hospital teams in the care of infants and high-risk newborns.

For more information, visit archildrens.org/nurseryalliance or contact Shankar Kathiresan, Nursery Alliance Coordinator, at 501-831-0275 or KathiresanS@archildrens.org.

Peds PLACE
Peds PLACE (Physician Learning and Collaborative Education) is a weekly, interactive telemedicine conference for pediatrics. It takes place Thursdays at 12:10 p.m. and CME credit is available.

For more information, visit archildrens.org/pedsplace.

</table>
The David M. Clark Center for Safe and Healthy Children is dedicated to the care and treatment of neglected and abused children and their families. It is a single, safe place for children to receive medical, psychological and social health services.

(Child Study Center) Psychiatry Services
Clark Center for Safe & Healthy Children
Phone: 501-364-5150 / Fax: 501-364-3966

Services are available to help with problems related to anxiety, depression, conduct and behavior problems, emotional adjustment difficulties, learning difficulties, attention problems, child management issues and other psychiatric disorders affecting children, adolescents and their families.

CoBALT (Community-Based Autism Liaison & Treatment Project)
Teams are comprised of a medical professional (Physician or Advanced Nurse Practitioner) and a professional who has knowledge of child development who can complete diagnostic testing (Speech Pathologist, Psychologist, or Behavioral Specialist). Teams are located around the state and are seasoned professionals who have worked many years with children. For a list of available teams and locations, visit cobaltar.org.

Family Treatment Program in the Clark Center
Clark Center for Safe & Healthy Children
Phone: 501-364-3810 / Fax: 501-364-3816

The Family Treatment Program provides specialized mental health care for victims and family members impacted by sexual abuse.

James L. Dennis Developmental Center
Phone: 501-364-1830 / Fax: 501-364-4967

The James L. Dennis Developmental Center specializes in the assessment of developmental conditions that result in delayed milestones, inability to communicate effectively, inattention, hyperactivity, impulsivity, learning problems, and poor or atypical social interactions.

Kids First
Phone: 501-526-8700 / Fax: 501-526-8740

Arkansas’ first pediatric day health care program for children with special health care needs. For more information, visit kidsfirst.uams.edu.
