Arkansas Children’s is a tobacco-free campus.
In an effort to promote good health, and in compliance with state law, the entire ACH campus is a tobacco-free environment. No cigarettes, including e-cigarettes, or tobacco products may be used or sold on our campus. For assistance with quitting tobacco, contact the Tobacco Interventionist at (501) 364-4396.

FINANCIAL COUNSELING
Need assistance with insurance enrollment, making a payment, or asking about payment plans?
Visit one of our financial counselors in person or call (501) 364-1230 (ext. 41230 from an internal phone).
Parent and caregiver centers are a critical and essential resource in a healing environment for children, and we are here to provide you with the essentials at a time it’s needed most.

This handbook serves as a place where you as a parent and caregiver can learn about community resources, visiting guidelines, safety, and finding your way for every step of your stay. We work with families to ensure that each child gets the best possible care. Use these resources to prepare for your visit to Arkansas Children’s.

OUR MISSION, VISION AND VALUES
We champion children by making them better today and healthier tomorrow.

Our Promise:
Unprecedented Child Health. Defined and Delivered.

Safety and Excellence frame our work. Teamwork and Compassion place people at the center of all that we do.

HOW WE CAN BETTER SERVE YOU
Patients and families are at the center of everything we do at Arkansas Children’s. We believe that families and caregivers are the primary sources of strength and support for the children, adolescents, and adults served by the hospital. This handbook provides you with everything so that you can be everything to your loved ones.

WE TAKE CARE OF YOU, SO THAT YOU CAN TAKE CARE OF YOUR LOVED ONES
The following resources are available to all patients and families. Don’t see what you need? Ask your child’s nurse’s station for assistance.

Due to COVID-19 restrictions some areas of the hospital will be closed and hours may differ during this time. Please check with the nurse’s station or Family Service Assistant for updated information.

DIET OPTIONS
In-Room Dining for Patients
Patients who eat table food may order from daily menus, depending on dietary restrictions and doctor’s orders. Patients can order kid-friendly choices from our room service menu 7 a.m.–7 p.m. each day at (501) 364-3663 (ext. 43663 from an internal phone).

Menus are available from your child’s nurse’s station.

Family & Visitor Dining
For caregivers who cannot afford their meals while at ACH, please contact the Family Service Assistant in the Central Family House (501) 364-1247, for information on our Caregiver Meal Assistance Program.

For late night admissions, please ask your nurse if you need after-hours meal information.

CHILDLIFE
Since group activities are restricted, Arkansas Children’s is proud to provide a virtual child life experience on Channel 36, which includes programming such as BINGO, painting demonstrations and science demonstrations. Arts and crafts, books and coloring sheets are also available for in-room activities.

EDUCATION
High School, The Hospital School Program has certified school teachers to help with children in grades kindergarten–12. You can contact them at (501) 364-4449 (ext. 44449 from an internal phone). Group drop-in sessions are held: Monday, Wednesday, Thursday and Friday from 9–11:30 a.m.

BREASTFEEDING MOTHERS
Private breastfeeding areas are located throughout the hospital. Please ask your nurse or Family Service Assistant for the location nearest you.

FAMILY RESOURCE CENTER AND SAFETY ZONE
The Family Resource Center offers books and media available for check out to help patients and families learn more about their health and disease processes.

The resource center also offers a business center with phone, computers, and fax available for use. Hours are Monday–Thursday, 9 a.m.–5 p.m. and Friday, 9 a.m.–noon.

The Safety Zone, located in the Family Resource Center, is a place where patients and families can receive education on a variety of safety topics as well as no-cost safety products. Topics covered include:

- Home/kitchen safety (burns/scalds, bathroom, falls, drowning, choking, etc.)
- Safe sleep for infants: safe sleep space, handling periods of crying, and reduction of co-sleeping
- Motor vehicle safety (car seats, seatbelt use, and teen driving)
- Recreational safety (four-wheelers, bicycle/wheel sports, and drowning)
- Intentional injury (suicide and firearm)
- Drowning
- Choking

For more information, or to receive a tour, call (501) 364-2157 after 1 p.m.

A community Safety Baby Shower is held in the Safety Zone on the first Friday of every month from 1:30–3:30 p.m. Patients and nonpatients may sign up to attend a shower by calling the Injury Prevention Center at (501) 364-3400.

GIFT SHOP
Playaway Gift Shop is located on the 1st floor at the front of the hospital. In addition to clothing and toys, we offer a selection of sundry items including shampoo, deodorant, shaving items, laundry detergent and over-the-counter medicines. The gift shop can also take phone orders from family members and friends for delivery to the patient’s room. To contact the gift shop, please call ext. 41209 from an internal phone. Friends or family can reach the gift shop at (501) 364-1209. Gift shop hours: Monday–Friday, 7 a.m.–5 p.m.; Saturday and Sunday, 1–4 p.m.

OVERNIGHT ACCOMMODATIONS FOR FAMILIES
ACH provides sleeping arrangements for at least one caregiver per patient either in the child’s room or in one of the Family Houses. Guides to nearby lodging are available at the Ronald McDonald House (down the street from the hospital) are available through the Family Service Assistant at (501) 364-1247 (ext. 41247 on an internal phone).

Shower, Laundry Facilities, and Personal Hygiene Items
- Multiple shower and laundry locations are available throughout the hospital. The Family Service Assistant in any critical care Family House or the Central Family House on the 2nd floor will direct you to the closest one and provide small packages of laundry detergent at no cost.
- Sample-sized packets of personal hygiene items are also available for families who arrived in an emergency.

AUTOMATED TELLER MACHINES (ATM) AND FUNDS BY WIRE
An ATM is located near the gift shop in the main lobby. Several MoneyGram sites are located within a few miles of the hospital if wired funds are needed (please remember that identification is required). These locations include:

BEFORE YOUR STAY

VISITATION GUIDELINES

UPDATED OCTOBER 2021

In order to keep our patients, families and team safe during the COVID-19 pandemic, we have updated our visitor guidelines:

- Visiting hours are 9 a.m.–9 p.m.
- Inpatient/Emergency Department/Surgery:
  - ACH: Two caregivers per patient at one time are allowed. Up to four caregivers, all 18 years or older, may rotate in the inpatient setting, but ONLY two may be in the hospital at one time.
  - ACNW: Two caregivers per patient in all clinical areas of the hospital and two caregivers are allowed to stay overnight in Inpatient areas.
- Outpatient clinics:
  - ACH: Two caregivers per patient at one time are allowed. Up to four caregivers, all 18 years or older, may rotate in the inpatient setting, but ONLY two may be in the hospital at one time.
  - ACNW: Two caregivers per patient in all clinical areas of the hospital and two caregivers are allowed to stay overnight in Inpatient areas.
- Visitors under the age of 18 are not allowed, including siblings.

Visitor screening

All visitors will complete a travel, wellness, and temperature screen prior to entering any Arkansas Children’s location. Visitors with a fever 100.4 or greater will not be permitted to enter any Arkansas Children’s facility.

- Upon screening clearance, all visitors will be assigned a wristband or sticker.
- Outpatient and Emergency Department visitors will receive a wristband and visitor sticker.
- Inpatient visitors will receive a wristband at entrance and inpatient access card at the unit level.
- Visitors must wear their wristband, sticker, and/or guardian badge at all times.
- Visitors seen on patient floors without any of the above must return to an entrance.
- Each day, visitors will exchange the previous day’s inpatient access card for a current day inpatient access card or guardian badge.
- Visitors must remain in patient rooms.
- At ACH, all waiting areas above the 2nd floor are closed to visitors.

Expectations of visitors

- Please be mindful that this is a children’s hospital. Abusive or aggressive language will not be tolerated.
- We ask that you refrain from wearing clothing that is revealing, or has graphic or suggestive language printed on it.
- While your comfort is important to us during your stay here, we also ask that you do not wear pajamas outside of sleeping areas. We appreciate your efforts to help keep this a child-friendly environment.
- Also, please be mindful of strong scents such as colognes or body odor.

Visit archildrens.org/visitorguidelines for the most up-to-date information.
SAFETY

The safety of our patients, families and team is our #1 priority. Your role in safety is important. Please work with your ACH caregivers to stay safe while in the hospital.

ASK US

- If we have washed our hands if you don’t see us do so.
- To check your child’s ID band before giving any medication or any procedures.
- If you think something is different in your child’s treatment or medications that you do not understand.
- About alarms going off or changes in your child’s condition.
- If we know about your child’s allergies to any medicines and make sure the ACH Team places a red allergy band on your child.

YOUR PERSONAL SAFETY

- Wear your Parent ID Badge and wristband at all times to support ACH Security’s efforts to prevent unauthorized people from entering the hospital.
- Please do not sleep on the floor.
- No guns, other weapons, alcohol or illegal drugs are allowed on hospital property.
- Overhead announcements are made to alert of possible danger; nursing staff will give you additional information about these codes and any actions you need to take, if any.
- In accordance with state law, tobacco products and smoking are not allowed on ACH property.
- Use Security to escort you to get to your car after hours.

ALWAYS

- Ask questions about new medications or treatments.
- Make sure that your child wears their hospital identification band at all times.
- Keep side rails up at all times.
- Make sure your child sleeps in the bed or crib alone due to the risk of suffocation or other injury.
- Be sure that staff members with your child have an ACH picture badge.

SECURITY SERVICES

ACH Security staff is here for your protection and convenience. Lost and Found items are kept at the security office. Contact this staff on an ACH phone at ext. 44444. To call from a cell or outside phone, dial (501) 364-4444.

COVID-19 SAFETY MEASURES

CLEANING – We use a 10-step cleaning process with a disinfectant effective against COVID-19. We give extra attention to high-touch surface areas, including light switches, sink faucets, restroom door handles, toilets and flushers, bedrails, bedside tables, shower handles/rails, telephones and call buttons.

MASKING – We require all patients, their accompanying parent or guardian, and all visitors to wear masks in our facilities. If you have masks, please bring and wear them while you are here. If you do not have a mask, we will provide a new, unused mask at the door. If your child is under 2 years old, or cannot put on or remove a mask without help, they should not wear a mask.

PHYSICAL DISTANCING – Physical distancing (i.e. remaining 6-foot away from others, staying home) is key to preventing the spread of COVID-19. While you are in the hospital, we ask that you please remain in your room as much as possible. Thank you for your patience and understanding.

ASK US

- Wear your Parent ID Badge and wristband at all times to support ACH Security’s efforts to prevent unauthorized people from entering the hospital.
- Please do not sleep on the floor.
- No guns, other weapons, alcohol or illegal drugs are allowed on hospital property.
- Overhead announcements are made to alert of possible danger; nursing staff will give you additional information about these codes and any actions you need to take, if any.
- In accordance with state law, tobacco products and smoking are not allowed on ACH property.
- Use Security to escort you to get to your car after hours.

FINDING YOUR WAY & PARKING

Finding your way around the Arkansas Children’s Hospital campus and various buildings can be challenging.

Please make sure you confirm the following prior to your visit: your building destination, the closest visitor and patient parking area and eventual interior department, clinic, area or patient room destination if it applies.

Your appointment letter should indicate which clinic or service your appointment is located at.

This information can be reviewed on the hospital website or on printed material that can be provided to you prior to your visit.

The Arkansas Children’s app is designed to be your “go-to” for managing your child’s health. It provides tools for managing everyday health decisions, like the symptom checker and first aid steps. Our experts and your doctors are just one tap away on this free mobile app, which also includes access to MyChart, hospital maps and parenting advice.

GETTING FROM HERE TO THERE

Overhead and wall signs direct you to different areas. Hospital area maps are also posted on the ACH website. If you are confused, just ask any hospital employee (you’ll know them because of the ACH identification badge!) for assistance.

For a map of our hospital campus and parking lots please visit archildrens.org/locations
WHO YOU’LL MEET DURING YOUR STAY

Parents and Caregivers:
You are not a visitor, but an important member of the healthcare team because of your vital role in taking care of your child. You are welcome to stay here 24 hours a day as long as your child is hospitalized. Be sure to get a Parent ID Badge from the Admissions desk and wear it at all times while here.

Interpreters:
For assistance with communication in languages other than English, call our Interpreters’ Office at (501) 364-6590 (ext. 46590 from an internal phone).

Medical Emergency Team (MET):
This group is a designated team of medical professionals that responds to support staff when notified and to ensure that appropriate care is delivered to the patient. The MET team provides immediate and effective response to non-ICU inpatient units, Day Medicine, Dialysis, Sleep Lab, Hematology/Oncology Clinic, and Radiology when the patient's condition is perceived to be declining and additional support is required at the bedside.

Other Personnel:
During your stay, you and your child may be visited by other healthcare professionals from departments including social work, child Life and education, volunteers, respiratory care, chaplain, laboratory, radiology, pharmacists, clinical nutrition, rehabilitation, speech, patient transport team, and discharge planning. The ACH family also includes many behind-the-scenes workers such as accountants, administrative assistants, food service workers, housekeepers and others who contribute significantly to the quality of your overall stay.

Patient and Family Representative:
Representatives are here to assist you in resolving concerns, passing along compliments, and/or helping get your questions answered about the hospital stay. Call the Representative at (501) 364-1198 (ext. 41198 from an internal phone.)

STAYING CONNECTED

Due to COVID-19 restrictions, some areas of the hospital will be closed and hours may differ. Please check with the nurse’s station or Family Service Assistant for updated information.

Telephones
- Phones are provided in each non-critical care patient room and in some critical care rooms.
- Local calls are free of charge; the phone number for the room is (501) 364-room number.
- The main hospital number is (501) 364-1100. You may call the hospital operator from within the hospital by dialing ext. 41100 or simply “0.” Our hospital operator will assist you in calling any department or person at ACH. If you know the party’s extension, just dial the five-digit extension.
- Between 9 p.m. and 7 a.m., calls to individual rooms will be answered by our switchboard; in an emergency, these calls may be forwarded to the nursing station.
- Local calls = 9 + area code + the local number. Long distance calls = 9 + 1 + area code + phone number. Place long distance calls by using a calling card or direct dial.
- If your child is in one of the intensive care areas, ask callers to reach you in that Family House during normal visiting hours. These waiting rooms also have a message center to check upon entering.
- Cardiovascular Intensive Care Unit Waiting Room (CICU) (501) 364-5480
- Pediatric Intensive Care Waiting Room (PICU) (501) 364-1800
- Intensive Care and Burn Waiting Room (ICU) (501) 364-1247
- Neonatal Intensive Care Waiting Room (NICU) (501) 364-7025
- Parents and Caregivers: You are not a visitor, but an important member of the healthcare team because of your vital role in taking care of your child. You are welcome to stay here 24 hours a day as long as your child is hospitalized. Be sure to get a Parent ID Badge from the Admissions desk and wear it at all times while here.

Computer and Internet Use
- Computer and internet access are available in the Family Connection Center by the main entrance and in various Family Houses.
- E-mail greetings may also be sent to patients using the hospital’s Create a Card service at www.archildrens.org/ecard; these messages will be delivered daily to the family and/or patient.
AFTER YOUR STAY

Your child’s doctor will let you know when your child is ready for discharge. If care will be needed at home, a case manager from the Discharge Planning Department may be asked to help arrange that care. The case manager will work closely with you, the community agency providing the care, and the insurance company so that discharge goes well. To contact a Discharge Planner directly, please call (501) 364-1200 (ext. 41200 internally).

Remember:

- Get prescriptions filled for home.
- Check out through the Admissions Department, and get your child’s free ACH t-shirt.
- Be certain to have an age-appropriate, properly installed car seat.
- Get your child’s discharge instructions for home and any follow-up appointments.

ACH Pharmacy—Located on the 1st floor of the Sturgis Building.
Monday–Friday 8:00 a.m.–6:00 p.m. Closed: Weekends and Holidays

- The ACH Pharmacy will only fill prescriptions for patients and ACH employees, which limits the insurance companies that are accepted. All Arkansas Medicaid patients can have their prescriptions filled.
- Parents may always present the pharmacy with their insurance card to see if their plan is accepted.
- ACH is a compounding pharmacy meaning they can custom-blend certain oral medications other pharmacies are unable to.
- ACH can fill prescriptions for those patients who have no insurance or who need financial assistance without charge when they pick up their medication.
- ACH Pharmacy typically fills the first prescription(s) for a patient, and then transfers the refills to a pharmacy closer to the patient to save travel time for subsequent refills.
