

# Arkansas Children's Compassion Program

Help support our patients, families or AC team members by providing items that stock our Compassion Closet and Unit Carts around the hospital.

Compassion Bags can be assembled at a location of your choice and delivered or mailed to the Volunteer Engagement Office at ACH or ACNW. Please email: [volunteer@archildrens.org](mailto:volunteer@archildrens.org) or [volunteerACNW@archildrens.org](mailto:volunteerACNW@archildrens.org) to schedule a time to deliver your bags. We will be excited to greet you at the front entrance of the hospital, accept your donation and snap a photo!
