Dear Parent/Teacher:

Thank you so much for your interest in the ACHiever program!

The ACHiever program was initially designed for young women entering the ninth grade and has been ongoing in the community for the past 20 years. With its success, in 2018 the program grew to offer an ACHiever program for young men. This program was founded to allow the ninth grade students of the community a unique opportunity to network directly with medical professionals and their peers and to raise funds and awareness for ACH.

We believe that this program is beneficial in exposing young women and men to Arkansas Children's Hospital, introducing them to a variety of wonderful medical careers, and encouraging the importance of philanthropy. In addition to the community service hours earned through program attendance, ACHiever participants may earn additional service hours working in non-patient care areas.

The program will meet once a month from September to April and there will be a variety of community service opportunities through the seven month program. Our first educational session is an orientation, with a parent, in September. Educational sessions will take place one Monday of each month from 5:30 – 6:45 pm. Educational sessions may include presentations or tours of Angel One Transport Department, the David M. Clark Center for Safe and Healthy Children, Injury Prevention, Arkansas Children's Foundation, Arkansas Children's Nutrition Center and more!** The program will culminate in April with a graduation ceremony and dinner for ACHievers and their parents.

Please share this information with your son or daughter. If he or she decides to make a commitment to the ACHiever program, we ask that you mail the ACHiever Program Application with a tax deductible deposit*. Also, thanks to the generosity of local businesses and individuals, we have scholarships available! If you would like to apply for a scholarship, please check scholarship application on the payment box.

Once your son/daughter has been accepted into the program, you will be notified and additional detailed information will be mailed to you. Should you have any questions, please don’t hesitate to call us.

We look forward to having your son/daughter as an ACHiever!
